BLUE RIDGE CONFERENCE CENTER

THE MOUNTAINEER ROOM

PAVILION

* The Grand Terrace is used for Receptions prior to dining in the Pavilion or Dining Room. It can also be used for small outdoor banquets from 16 - 64 people. The Grand Terrace offers amazing golf course and mountain views.

**The Dining Room is shaped into two rooms that can combine into one. If you are having a banquet, this room is ideal. One of the sections in this room is also good for a classroom set and then use the other section for your meals.
